

Strider Cup Adult Pit Bike Downhill, as in small toddler sized Strider balance bikes with adult sized riders! Last year's crazy idea and spur of the moment race has spawned this year's inaugural Strider Cup Adult Pit Bike Downhill. Put your game face on and race for \$1000 in prize money.

The two classes are outlined below. The Modified Class allows your creative side to kick in, just follow the rules. The Spec Class requires factory upgrades which can be purchased from Strider Sports Int'l. Inc.
