

## Press Release

The South Dakota Parks and Recreation Association (SDPRA) and the Mid-Western Parks and Recreation association has announced the 2009 annual Award recipients. These awards are presented to deserving candidates and organizations in several specific categories. The recipients were selected as the top submissions from across the State of South Dakota and the Midwest region.

Winning the Citation of Merit Award for both the State of South Dakota and the Mid-Western Region in the facility category was the **Rapid City Dirt Jump Park**. Designed and built by B-4 Consultant and Construction Inc. with the help of the Black Hills Mountain Bike Association and the Rapid City Parks and Recreation Department.

“This is a great honor to win two awards in the same year.”, said Jerry Cole Director of Parks and Recreation for the City of Rapid City. “The hundreds of volunteers from across the City who helped with building the facility and all the businesses who have donated either money or time to this project should be very proud. This is a facility the entire community can enjoy for years to come.”

For more information please contact the Rapid City Parks and Recreation Department at 605-394-5225.
