# Deadline for submissions May 1, 2010

## **HOW TO SUBMIT:**

Submissions for preview should be DVD format.

All submissions must be received by May 1, 2010.

NO COST TO ENTER. INDIVIDUALS MAY ENTER UP TO 3 FILMS

- a) Short films must be no more than 4 years old. (Please no films that were screened last year.)
- b) Films will be played to a mainstream audience.
- c) We will not consider libelous, slanderous, racist or otherwise offensive content. Tell a good story about interesting characters. Be funny or serious, creative and imaginative, wild, "out there", simple, honest, whatever. Just remember that people will be watching it.
- d) We're happy to screen a short film that has been shown in another festival -- or even won it! -- but please ensure that you have the right to show it.
- e) Films can include music tracks as we pay big bucks to be able to play music.
- f) Films must have a maximum length of 10 minutes and no more.

## **And here's good news for filmmakers:**

We WILL accept films that have screened elsewhere

We WILL accept films that have WON other festivals

We WILL accept films that are currently available on the internet...provided they meet the above requirements!

All submittals will get two tickets to the festival.

## **How good is that?**

Easy enough? Great! Then it's time to burn your DVD, and send it in!

DVDs submitted to the **Black Hills Fat Tire Film Festival** cannot be returned, so make sure you submit the following:

2 DVD copies of your film (test them to make sure they work!)

Complete the entry form (everything must be filled out!) and send in.
